OBJECTIVE

To obtain an entry-level IT position where I can apply the knowledge and skills I have gained through my BSIT studies, develop my technical abilities through hands-on experience, and contribute to the organization's IT needs.

EDUCATION

PHINMA Araullo University – South

Bachelor of Science in Information Technology
2026–Present

ACADEMIC / IT ACTIVITIES

- Programming and Computing Exercises
- Information Literacy Activities
- Online Information Evaluation
- Responsible AI Activities
- Digital Communication Activities
- Document Formatting and Presentation

TECHNICAL SKILLS

- Basic computer operations
- Basic programming
- Basic hardware and software troubleshooting
- Basic networking concepts
- Digital productivity tools
- Document formatting and file organization
- Online information evaluation

VOLUNTEER & LEADERSHIP EXPERIENCE

- **BSIT Group Projects** – Collaborated with classmates, divided tasks, and helped ensure activities were completed on time.
- **IT Academic Activities** – Participated in computer, programming, and information technology-related activities.
- **Class Activities** – Worked with classmates to complete assigned tasks and contribute to group outputs.
- **Project Coordination** – Helped organize group tasks, communicate with members, and monitor progress when assigned to coordinate.

SOFT SKILLS

- Communication
- Teamwork
- Patience
- Time management
- Problem-solving
- Adaptability
- Willingness to learn

Hiring Manager
8990 Housing Development Corporation
Cabanatuan City, Nueva Ecija

Subject: Application for MIS/IT Staff Position

Dear Hiring Manager,

I am writing to express my interest in the MIS/IT Staff position at 8990 Housing Development Corporation in Cabanatuan City. I am currently taking a Bachelor of Science in Information Technology at PHINMA Araullo University – South, and I am interested in gaining practical experience in the IT field.

Through my studies, I have developed basic knowledge of computer operations, programming, troubleshooting, networking concepts, digital tools, and information technology. My academic activities have also helped me develop communication, teamwork, patience, time management, and problem-solving skills.

I am interested in this position because it would allow me to apply what I have learned in school while gaining practical experience in technical support. I am willing to learn more about hardware and software troubleshooting, IT equipment, networking, and the systems used in a professional workplace.

Although I do not have formal work experience yet, I am eager to learn, accept guidance, and take on responsibilities. I believe that my education, willingness to learn, and interest in IT can help me contribute to the team while developing my skills.

Thank you for considering my application. I would appreciate the opportunity to be considered for the position.

Respectfully,

Cris Jhiliene S. Abergas
Applicant

JOB / EMPLOYER REFERENCE

Company: 8990 Housing Development Corporation

Position: MIS/IT Staff

Location: Cabanatuan City, Nueva Ecija

Source: JobStreet Philippines

INFORMATION LITERACY CHECK

Credibility: The opportunity was found through JobStreet, which identifies the employer and the position.

Accuracy: I checked the available job information, including the employer, position, and location, before using it in my portfolio.

Bias: The information is mainly presented as a job opportunity, so I treated it as recruitment information rather than an independent review of the employer.

Currency: I checked that the job information was current enough to be used for this portfolio. Job postings may change or close, so the information should be rechecked before applying.

PROCESS & INTEGRITY NOTE

I found the MIS/IT Staff opportunity through JobStreet and considered the source usable after checking its credibility, accuracy, bias, and currency. I reviewed the available information before using it in my portfolio.

I used AI as a support tool for organizing ideas, improving wording, and checking the overall presentation. I personally reviewed and revised the AI-assisted content to make sure that the information I included is accurate, appropriate, and truthful.

I made sure not to add false information, work experience, skills, or qualifications that I do not have. I also protected my privacy by avoiding unnecessary sensitive information such as passwords, government IDs, bank details, and student records.
